¹ The Debtor is a party in many civil actions pending in courts throughout the United States. The Debtor may have claims, including indemnity and contribution claims, against other parties in those civil actions which it has not yet asserted and are not listed herein. The Debtor may also have similar claims against persons or entities which are not currently parties to those civil actions. The Debtor has used reasonable efforts to identify such claims, however, the Debtor reserves all rights to assert such claims in the appropriate forums in the future. The Debtor reserves all rights on behalf of itself and its estate to commence and pursue any and all causes of action or defenses it may possess in the matters listed below and the failure to list any particular action or proceeding herein is not intended to, and does not, limit the rights of the Debtor or its successors or assigns, if any, from pursuing such causes of action, defenses, counterclaims or cross-claims in any such action or proceeding.

² The Debtor is a potentially responsible party with respect to approximately 90 environmental remediation sites and may be named as a potentially responsible party with respect to other sites in the future. The Debtor may have claims, including indemnity and contribution claims, against other parties identified as potentially responsible parties at those remediation sites and against persons or entities not currently so identified. The Debtor has used reasonable efforts to identify such claims, however, the Debtor reserves all rights to amend its Schedules as may be necessary or appropriate to reflect such claims.

³ The Debtor has been a party to a substantial number of business transactions and relationships since its formation 100 years ago, including, without limitation, acquisitions or divestments of businesses, purchases, sales or leases of real property, joint ventures and partnerships. In connection with those transactions and relationships, the Debtor may have rights under indemnities and other contract provisions. The Debtor has conducted due diligence to identify potential claims which the Debtor may have in connection with such transactions or relationships, but may not be able to identify all such potential claims as of the Commencement Date. The Debtor reserves all rights to amend this Schedule as may be necessary or appropriate to reflect such claims.

⁴ The list of actions and proceedings herein shall not constitute an admission by any Debtor that the actions or proceedings herein were filed against any particular Debtor and the Debtor reserves its right to assert that neither the Debtor nor any other Debtor in the Chapter 11 Cases is an appropriate party to such actions or proceedings.
